

The implementation partners of the Pathfinder Initiative are happy to announce the following free Buenos Aires event:

# "Meet ICANN"

Your Chance to meet the ICANN stakeholders, see the ICANN community at work and participate in an ICANN meeting.

ICANN as an organization, its role, function and work is a mystery to the vast majority of Internet users. Sometimes, one has the feeling that the more ICANN becomes important to our everyday lives, the less people seem to know about it. This is a great opportunity for everybody who wants to know more about ICANN in particular and Internet Governance in general, to meet with a number of ICANN representatives and stakeholders within the context of a larger ICANN meeting.

**DATE** Monday, 22nd of June, 13.00 pm - 14.30pm

**PLACE** Sheraton Buenos Aires Hotel & Convention Center,  
San Martín 1225, Buenos Aires, 1104, Argentina

Please meet at the Conference Registration desk 15 minutes before the event.

To register for this event please send an email to: [rsvp@gkpf.org](mailto:rsvp@gkpf.org)  
(Participation in the event is free)

**LANGUAGE** Spanish, English and Portuguese.

Introduction in Spanish with English translation.

Different hosts will use their native language during the walkabout and groups can also be formed according to language preferences of visitors.
