

The ICANN Not for Profit Operational Concerns Constituency, NPOC, is happy to announce the following free Buenos Aires event:

# NPOC Constituency day encounter with NGOs

Engage with, participate in and contribute to the Internet Governance multi stakeholder decision making process. The NGO Caucus held some days before was designed to produce win-win policy strategies and practice outcomes. This follow up meeting is designed to develop and implement strategies around how to contribute the NGO caucus outcomes to the wider ICANN policy and decision making process. A further aim is also to strengthen the engagement of participants with their respective constituencies and stakeholder groups.

**DATE** Tuesday, 23rd of June, 12.00pm-13.00pm  
**PLACE** Sheraton Buenos Aires Hotel & Convention Center,  
San Martín 1225, Buenos Aires, 1104, Argentina  
**LANGUAGE** Spanish with English and Portuguese translation
